

## **Instructions for Completing Recycled Water Hydrant Truck Fill Program Application**

1. Please complete only the top two sections (Applicant Information and Recycled Water Usage Information) of the application on the following page. Then read the acknowledgement and sign and date the bottom.
2. Submit completed applications via email to [hydrant@centralsan.org](mailto:hydrant@centralsan.org).

Upon receiving your completed application, a staff member will contact you to schedule training class for your designated Recycled Water Site Supervisor.

Applicants should come to the initial training with a check or a credit card for our refundable meter deposit of \$1,000 per meter. After the training class, a meter(s) and Recycled Water Use Permit will be issued and your company may then begin using our recycled water.
