

CCCSD Recycled Water Hydrant Program Contact List

To sign up for our Program, for questions related to recycled water use for truck-filling, for recycled water hydrant service problems, and to report your required monthly recycled water meter usage (on the first working day of each month), contact:

Central Contra Costa Sanitary District
Main: (925) 228-9500
hydrant@centralsan.org

For after-hour emergencies, please contact:

CCCSD's 24-hour Operations Control Room
(925) 229-7214
