Our Mission

*Central Contra Costa
Sanitary District is a public
utility that is dedicated to
protecting the public health
and the environment.*

Our Mission

We
protect
by

**collecting and
treating
wastewater**

Our Mission

We
conserve
by

**recycling high
quality water
for public use**

Our Mission

We
prevent
by

**Controlling sources
of pollution such as
collecting,
recycling, and
disposing of
household
hazardous waste**

Programs that Prevent

We do more than collect and clean wastewater. Central San has other programs that protect the environment through pollution prevention:

- Household Hazardous Waste (HHW) Facility
- Educational Programs
- Environmental Compliance Program

Environmental Compliance Program

Sanitary Sewer & Storm Water

- **Regulations**
- **Permitting**
- **Inspections**
- **Sampling**

Central San Environmental Compliance Program

Why have an Environmental Compliance Program?

- Federal Clean Water Act requires it
- Regional Water Quality Control Board requires Pollution Prevention programs of Publicly Owned Treatment Works (POTWs)
- Protects Central San's operations
- Protects San Francisco Bay

Central San Environmental Compliance Program
