

**Central Contra Costa Sanitary District
Industrial User Permit
Total Toxic Organics Certification Statement**

The Industrial User shall attach the following certification statement to the Periodic Compliance Report to demonstrate compliance with the approved Total Toxic Organics (TTO) Management Plan on file with Central Contra Costa Sanitary District (Central San):

“Based on my inquiry of the person or persons directly responsible for managing compliance with the permit limitation and/or pretreatment standard for TTOs, I certify that, to the best of my knowledge and belief, no dumping of concentrated toxic organics into the sanitary sewer system has occurred since the filing of the last compliance report. I further certify that this facility is implementing the TTO Management Plan submitted to, and approved by, Central San. I am aware that there are significant penalties for knowingly submitting false information, including the possibility of fine and/or imprisonment for knowing violations.”

This certification statement shall be signed by an authorized representative of the Industrial User as specified in Section 10.04.020(B) of the District Code (see Definition of Authorized Representative below).

Name	Title
Company	
Address	
Signature of Authorized Representative	Date

Definition of Authorized Representative of Industrial User: An authorized representative of an industrial user may be: (1) the principal executive officer, if the industrial user is a corporation; (2) general partner or proprietor if the industrial user is a partnership or proprietorship, respectively; (3) duly authorized representative of the individual designated above if such representative is responsible for the overall operation of the facilities from which the discharge originates and if such representative is identified in writing by the individual designated in (1) or (2) above.
